Missed Appointment Policy

All appointments require a 24-hour cancellation notice to avoid a \$50 missed appointment fee.

We, along with your physician, have given time and thought to your treatment plan, but it will not work if you are not here. Your therapist is committed to your recovery and has reserved a 40 minute one-on-one block of time in their schedule for each appointment you make; we expect the same commitment from you by keeping your scheduled appointments as this can mean the difference between whether you succeed in therapy or not. Please attend your appointments on time, as tardiness not only affects your care, but the care of others. If you know you are going to be more than 10 minutes late, PLEASE CALL. You will be charged a \$50 administrative fee (which is not refunded by insurance) for not showing up to your appointment or cancelling with less than a 24 hour notice. If you do not show up to two or more of your appointments, services may be discontinued due to non-compliance.

I affirm the information above is correct, and I understand the missed appointment policy
